A petition from a number of the Clarksville colored school patrons asking for a change of supervisor and tencher was read. After considering the petition the board ordered that the appointment of W. A. Wilkerson as supervisor and Lilla G. Mitchell as teacher stand as made at last meeting of the board.

Mr. Robert Ferguson appeared and asked that they be granted a new school in his neighborhood, that he had made diligent effort to secure some one to carry the children of his neighborhood to the Fellowship school, but could find no one willing to take the job. On motion the school | These Famous Glasses for saie by was granted, provided they be at no cost in providing building or furniture.

The superintendent stated that thre schools desired to commence on Monday, August 12. On motion it was ordered that schools be allowed to open on any Menday from August 12 to September 30 to best suit the patrons, and the supervisors are requested to notify the superintendent at once when the patrons desire their schools

for the term. As the contract with Munroe & Chambliss for paying all school warrants during the year expires in Septenther, the superintendent was instructed to ask each of the banks to offer their best terms for advancing money to pay all school warrants for

one year. The superintendent reported that the following teachers appointed at the last meeting of the board did not accept the positions: W. W. Smith. C. D. Kagey, R. W. Ervin and E. B. Simmons, all places paying \$40 and \$4% per month, and the patrons all wanting a gentleman teacher holding a first grade certificate; that while we had several teachers in the county without schools, we did not have any unemployed who could fill those places.

Miss Annie Mixson also declined to accept the Key Pond school and Elbert was appointed to fill the place.
